WE OFFER

ROCK SOLID STABILITY

28 years in business with over 3,500 machines successfully installed across our territories.

CUSTOMER SERVICE

With customer satisfaction as our #1 priority, EMEC Machine Tools has developed a reputation as a reliable partner.

SOLUTIONS THAT FIT YOUR BUSINESS

Whether its just a standalone machine or as automated turnkey system, you will ge the most effective manufacturing technology for your needs, budget, and timeframe.

SHOWROOM FACILITY

Our shorooms in Mississauga & Montreal provide customers with training, machine demonstrations and educational seminars.
